

# 2011 C.I. Scoring Tool

Date \_\_\_\_\_

AGENCY NAME \_\_\_\_\_

Volunteer \_\_\_\_\_

Scoring instructions for Questions 1 through 10:

Please score each question using 1 as the lowest ranking and 10 as the highest ranking possible. A score of 0 indicates that the program did not perform at all in the area being investigated, and may not be a good investment of United Way community investment dollars.

- 1) Please use information provided in Section I. **Agency Information** of the application to score this question.

**Is this agency's mission in line with a Community Impact area (Education, Income or Health)?**

Highest score possible for this section is 10 points.

Score for question #1 \_\_\_\_\_

Please provide your rationale for this score.

- 
- 2) Please use information provided in Section II. **Program Activities** of the application to score this section.

**Has this program demonstrated, using the Logic Model and Outcomes Measurement format, that it has clear and logical inputs, outputs, and projected outcomes?**

Highest score possible for this section is 10 points.

Score for question #2 \_\_\_\_\_

Please provide your rationale for this score.

3) Please use information provided in Section II. **Program Activities** of the application to score this section.

**Has this program met or exceeded previous outcome projections? If new, is this program research based, and does it have strong potential to further UWOC's Community Impact mission?**

Highest score possible for this section is 10 points.

Score for question #3 \_\_\_\_\_

Please provide your rationale for this score.

---

4) Please use information provided in Section III. **Service Recipient Demographics** of the application to score this section.

**Does this program invest resources in outreach to ensure it is reaching Ocean County residents who are experiencing the most need?**

Highest score possible for this section is 10 points.

Score for question #4 \_\_\_\_\_

Please provide your rationale for this score.

---

5) Please use information provided in Section IV. **Program Evaluation and Client Feedback** of the application to score this section.

**Does this program regularly rely on evaluation by professionals as well as clients in order to make programmatic adjustments to improve service delivery? Are instruments and tabulated results included in the application?**

Highest score possible for this section is 10 points.

Score for question #5 \_\_\_\_\_

Please provide your rationale for this score.

---

6) Please use information provided in Section V. **Collaboration** of the application to score this section.

**Does this program participate in program enhancing collaborations?**

Highest score possible for this section is 10 points. Score for question #6 \_\_\_\_\_

Please provide your rationale for this score.

---

7) Please use information provided in Section VI. **Prevention Component** of the application to score this section.

**To what degree does this program address root causes and/or deliver prevention programming? Or to what degree does this program deliver intense/emergency services?**

Highest possible score for this section is 10 points. Score for question #7 \_\_\_\_\_

Please provide your rationale for this score.

---

8) Please use information provided in Section VII. **Mandatory Program Success Story** of the application to score this section.

**Please give this program 10 points if the success story submitted is compelling and relates directly to UWOC's Community Impact mission.**

Highest possible score for this section is 10 points. Score for question #8 \_\_\_\_\_

Please provide your rationale for this score.

---

9) Please use information provided in Section **VIII. Program Costs** of the application to score this section.

**Are this program's total costs and per person costs reasonable and justified? Has this program accessed comparable cost comparisons?**

Highest score possible for this section is 10 points. Score for question #9 \_\_\_\_\_

Please provide your rationale for this score.

---

10a) Please use information provided in Section **IX. Funding Sources** of the application to score this section.

**Is the sponsor agency accessing all appropriate funding sources on behalf of the program's service recipients, other than UWOC?**

Highest possible score for this question is 5 points. Score for question #10.a. \_\_\_\_\_

Please provide your rationale for this score.

---

10b) Please use information provided in Section **IX. Funding Sources** of the application to score this section.

**Does the funding requested from UWOC represent a reasonable percentage of the total program budget?**

Highest possible score for this question is 5 points. Score for question #10.b. \_\_\_\_\_

Please provide your rationale for this score.

---

Highest score possible for this entire section is 10 points.

---

Scoring instructions for Question 11:
